CAST IRON RADIATORS

# Wall Stays

## SUPPORT FOR YOUR RADIATOR, IN A RANGE OF STRIKING STYLES

Wall stays provide a firm brace to the wall for your cast iron radiator. All our cast iron radiators are floor standing and stable, however, due to their weight, we strongly recommend you tie your radiator to the wall with wall stays for added safety.

### STANDARD RADIATOR WALL STAYS

Our standard wall stays are discreet and designed to be hidden at the back of your radiator. They are fixed to the wall and attached to the back of the radiator. Supplied in a galvanised finish as standard or they can be painted to match the colour of the radiator.

### LUXURY BRASS RADIATOR WALL STAYS

These eye-catching and luxurious radiator wall stays add another matching feature to your cast iron radiator and is available in a wide choice of finishes to match your thermostatic or manual radiator valve choice.
