Product Name	Height (mm)	Length (mm)	Depth (mm)	Fuel Options (E/H/D)	Pipes or Sections	Heat Output (BTU/w) $\Delta T 50$
FLU186	1810	605	45	E/H/D	15	9055

Much like the longitudinal textured pattern found in woodgrain, the natural channels of Fluent meander continuously from one end to another. As the name suggests, Fluent is graceful and effortless in its simple appearance.

Almost like a freehand line, long strokes present themselves organically, winding along their journey across the calm aluminium surface.

Like the treasure of the pattern hidden inside a tree, the grooves are free-flowing and uninterrupted. Fluent can be mounted vertically or horizontally to complement the style of a room.
