

NEW YORK EMPIRE™

Available in various finishes, three sizes and two layouts the New York™ Series offers the perfect focal point for any interior. The New York Empire™ is the largest model and well suited for spacious settings as in kitchen, dining room and living room. It features the design-protected decoflame® burner on which the flame intensity is steplessly adjustable.

All New York™ models are available as built-in fireplaces as well. The dimensions of the wall cut-out for the built-in New York Series are available upon request.
