- Most realistic designs!
- Beautifully hand-painted in the USA!
- Variety of color & size choices
- Great for indoors/outdoors

TWIGS, BRANCHES & LOGS

Logs and twigs are designed in kits for easy use. Incredible details and colors are available for whatever scenario you choose. Some kits can be used as extensions to an already existing log set in some vented fireplaces. Fire pits and linear fireplaces are well suited for them, as well as your decorative log basket on the hearth. Driftwood log kits are available particularly for a modern contemporary look. We know you'll love them. Take a look!
