ICON  FIRES

Slimline Range

It's the attention to detail ...

The Slimline range offers the industry's longest linear burners that produce a stretched continuous flame for dramatic effect. All burners are designed for custom installations both indoor and outdoors.

Fine detail and quality finishes distinguish Slimline Burners. The unique mounting frame enables flush fitting into the surface. Elegant proportions and the brushed stainless steel accentuate the long continuous flame.

Complementing the Slimline Linear Burners are matching Fireboxes designed for inbuilt installations. Their shallow depth simplifies fitting into compact settings.

Black interiors enhance the flame's appearance. With a choice of brushed stainless steel or black fascias to finish off the setting.

Simple installation opens up endless positioning possibilities for Icon Fires Slimline Range.
