

The background of the entire page is a photograph of various radiator accessories, including valves, brackets, and electric components, arranged on a light-colored surface. A semi-transparent orange rectangular box is overlaid on the middle of the image, containing the title and descriptive text. The word 'Accessories' is written in a large, white, cursive font, with the 'A' being particularly large and stylized, extending from the top left of the orange box. Below it, the descriptive text is in a smaller, white, sans-serif font.
